

Microsoft Office 2013 for Peoria Students

Our Peoria Unified School District's license agreement with Microsoft enables all Peoria students to download up to 5 copies of MS Office 2013 for free. Install Office on up to 5 PCs or Macs and on other mobile devices, including Windows tablets and iPad®. Click here to see the system requirements for Office 2013 to determine if your computing device meets the minimum requirements for installation.

Steps to install Office 2013

From the device/computer for which you want Office installed, [login to](#) your Peoria District student email account using your District username and password (see directions [here](#) if needed).

You may see a notification in the upper right corner with an installation link. If not, click on the bell in the upper right corner. Clicking the "Install now" link will begin the installation process, with step-by-step directions.

Let's get stuff done.

Collaborate with Office Online

Microsoft Office for free
Good news. As a student at Student.pusd11.net, you get Word, Excel, PowerPoint, and OneNote for free.
